

Last year this barbecue was moved to historic downtown Jefferson. With some direction from last year's participants, this year's State Championship is going to be even better.

Once again, the event will be in the historic downtown, right off the riverfront.. The event is fun for the cooks and the community. Most importantly, all profits benefit the Boys & Girls Clubs of the Big Pines - Jefferson Unit.

ABOUT THE CLUB

The Boys & Girls Clubs of the Big Pines gives the kids a safe place to go each day after school as opposed to an empty house. The Club gives the kids homework help, something to eat, access to computers, fun with their friends, and innovative programming each day. The Club is proud to note that none of this is done on the backs of the kids. In fact, one month of afterschool programming cost just \$40 per month - or about 63-cents per hour. We thank all those involved with this event for being a part of our success for our Jefferson kids
