There will also be a 2 day poker run. There is a different spin on our usual poker run, instead of having 5 stops, we will have 20 stops for you to choose from. These will be:

- ~as far west as Witchita Falls, TX
- ~ as far east as Sherman, TX
- ~ as far nothwest as Lawton, OK
- ~ and as far north as Moore, OK.

You go whichever direction you choose and spend the night if you like. Make at least 5 stops to make a poker hand, but the more stops you make the more cards you get to draw and better your chance at making the winning hand and winning the \$250.00 1st prize! We will end the poker run at the cook-off site at the Ardmore Dragway in Springer, so everyone can taste some great BBQ. We will have bike games for everyone's enjoyment, we will also have a hotdog eating contest and a jalapeno eating contest open to the public.
