BENEFITING

SPONSORED BY

The Permian Warrior Partnership™ (PWP) is a veteran-focused, community-led initiative to proactively connect with all veterans and ensure access to quality resources and opportunities available in collaboration with the community. We aim to cultivate an integrated, resilient, and prosperous veteran community within the Permian Basin by improving veteran quality of life thus ending veteran suicide.

The Permian Warrior Partnership is standing by to serve veterans, their families, and caregivers in the Permian Basin. Coordinated assistance with veterans' benefits and connections to local and national resources are just a call away!

PWP is a branch of America's Warrior Partnership and is supported by funding from the Permian Strategic Partnership and the Abell-Hanger Foundation, it is the culmination of the Community Integration program.
