

Cooker Of The Year Points System

The LSBS Board of Directors has elected to make the following changes beginning at the start of the 10-2010 & 2011 points year. Effective 10-23-2010. If your membership runs out with LSBS you will lose all points you have earned.

Points calculated were adjusted in each category and a category VI point system added in order to distribute COTY points in a more consistent and even spread.

Ten cooking teams are required at a cook-off to qualify the top three winners in recognized meat categories for the National Championship BBQ Cook-off in Meridian, TX. Therefore ONLY LSBS sanctioned cook-offs having ten teams or more present shall have points awarded in the following manner.

Cook-offs with less than 10 teams, although still sanctioned, will only receive one (1) point for attending -no points awarded for meat categories.
